

## College Will Give BA's Next Year

William L. Wheaton, acting director of Admissions at Pomona College, and a member of the Advisory Council and former staff member of Palos Verdes College, has accepted Palos Verdes College's invitation to be the guest speaker at its Commencement ceremony, to be held on June 7.

This year will be the fifth in which Palos Verdes College has presented the Associate in Arts degree to a graduating class, and the last in which only the AA degree will be given. Since the College becomes a four-year college this fall, graduation day in 1954 will see the presentation of the BA to those students completing four years of study, in addition to the AA to those who choose to take only junior college work, it was announced.

MRS. VICTOR BENSTEAD, wife of the city councilman, looks pleased about having won the sweepstakes and first prize in the flower show sponsored by the Torrance Terrace Garden Club and Recreation Department. The winning arrangement is a combination of coral rose and a small dwarf-type eucalyptus.

COME ONE... COME ALL... Russell's United Shows attracted a lot of attention at the Annual Hobby and Arts Show held at the civic auditorium last weekend. Ed Russell, the owner and builder of this miniature set, spent eight of his 17 years constructing this set. He even went to work for a carnival in order to be sure that his miniature set is exact in every detail. His carnival features nine rides, 11 shows, and half a dozen concessions.

## El Camino Plays Host to Coaches, Administrators

Administrators and coaches from thirteen high schools in the El Camino College district will be hosted at a dinner sponsored by the Associated Student Body of the college on June 1.

This will be the fifth year that Warriorville has sponsored the annual get-together for high school representatives and the college coaching staff and administrators. Principals, boys' vice-principals, and coaches will attend the dinner as the guests of the college.

Director of Student Personnel, Marj F. Sloan, said the program provides an opportunity for school officials to get together, to discuss problems, and to meet each other. "Also," Sloan said, "it gives our coaches a chance to inform the

high schools as to what we are doing in the various sports which in turn gives the high school coaches better information to pass along to their players and to advise them what schools are best suited for their individual talents."

Leuzinger, Inglewood, Torrance, Redondo, Mira Costa, Gardena, Hawthorne, El Segundo, Morning-side, Washington, Junipero Serra, and Mt. Carmel officials are slated to be on hand.

Bill Lettunich, student Commissioner of Athletics, will master-of-ceremony the proceedings while entertainment will be supplied by the El Camino music department.

## Storekeeper Opportunity Announced

The world's biggest housekeeper—the United States Government—wants men and women as storekeepers to assure good order in the acres of shelves in military and civilian warehouses in California and Nevada.

T. C. Messerve, Civil Service Secretary at Torrance, Calif., Post Office, announces that no experience is needed for Storekeeper positions starting at \$2,750 a year, which are limited to men. General and special experience is required for the \$2,950 and \$3,175 positions, which are open to men and women.

Various options determine the duties—receiving, binning, stock-picking, shipping, etc. Minimum age is 18. There is no maximum age limit.

Photographer, \$2,950 to \$4,205 a year. For photographic positions, one year of experience is required; for motion picture developing, six months.

Tabulating Equipment Operation Supervisor, \$4,620 to \$5,940 a year. Must have had at least four years of experience, including the planning and supervising of tabulating projects.

Applications for any of the above positions may be obtained from T. C. Messerve at the Post Office, or from the U. S. Civil Service Commission, 630 Sansome St., San Francisco 11, Calif.
